I asked Karl to place this request in the folder for the next time you are in Fairbanks (meaning this time), but unfortunately he called to remind me of our commitment to try and get everyone together. With everyone in Fairbanks, I think we should try to do this meeting Thursday morning (8:30am?) for an hour – prior to the wildland fire press conference. We can have Mike and Commissioner Irwin attend and fulfill this long-standing request, if that works for you.
